Statement of why nominee would make a good office holder

Having known Joel for a number of years I am very aware of his commitment and dedication as a member of the Utah Episcopal Church community. Joel is a dedicated, skilled and committed individual who has demonstrated this through his work within St. Paul's SLC and the Diocese of Utah.. He has served in the following capacities: Member of the Diocesan Council, St. Paul's Vestry – on which he has served multiple terms, Senior Warden, Senior Warden In Charge (during Rector search), Parish Finance, Facilities and Administration member and Chair, Parish Building Committee Chair, Member and Chair of the Diocesan Center Building Committee, Diocesan Convention Delegate and he has served on a variety of other committees. Additionally he is involved with in the Utah community in multiple ways having served on the boards of Ronald McDonald House, Ririe Woodbury Dance Company, Community Nursing Services – Art and Soup, Camp K, Westminster College Foundation Board and others. Joel has commented about his concerns that our society has seen its ability to be in relationship with one another and with Christ weaken over time. This concerns him and he feels that the Episcopal Diocese must work to strengthen the personal Bonds and relationships with one another and with society as a whole and also work to strengthen our Christian relationships with all those in our community no matter their background, faith, etc. Joel is a collaborative individual who is direct in his communication style, who is willing to listen, ask questions and seek the “truth” in the heart of the matter and make informed evaluations and decisions. Additionally, he is an individual who wants to be sure processes and protocols are followed and that information is handled appropriately and with respect.
